

# NEPTUNE

## CLEAN CURVES

Technology and tradition collide in this modern take on the classic Princess radiator. Designed with cutting-edge technology, cast by master craftsmen and assembled and finished to perfection. An exceptional radiator for remarkable interiors.

# NEPTUNE

Modern curves and a ridged shoulder make Neptune a bold feature in contemporary interiors. Sleek feet and a striking pinched top offer an updated aesthetic to a design inspired by the classic Princess radiator. Available in four heights.

## Neptune II

Available in 4 heights

180mm deep

Ideal for large rooms. Strong design with soft curves

## Neptune III

Available in 4 heights

200mm deep

Ideal for large rooms
